

DIRECTIONS & PARKING INSTRUCTIONS

Vanguard University is located on the corner of Fair Drive and Newport Blvd, directly off the **55 Freeway** at the Fair Drive/Del Mar exit. A link to Google Maps can be found below to allow you to print directions. There is ample parking surrounding the Campus.

Directors' Special Directions: [The easiest way on to the Campus] Once you exit on Fair Dr, continue south – past Fair Dr., turn right into the 3rd driveway (you will need to count – first one is the Church Lot, second one is exit only). This is parking lot G, and is directly in front of our Dorms (Catalina and Balboa). It is also conveniently located for Day Campers.

Special Event Campers: For Campers who are only attending evening Special Events, we recommend you park in the Newport Mesa Church parking lot(C). This lot is located on the corner of Fair Dr and Newport Blvd. If you use the directions by Google Maps you will need travel along the front road to get to this lot or use Director's Special Directions and turn into the 1st driveway.

Parking: Please park only in the designated areas – signs will mark Vanguard parking. Vanguard is located next door to Costa Mesa City Hall & Police Department. DO NOT Park in the City lot (part of Parking Lot M) – you will be ticketed or towed, these are clearly marked. If in doubt ask!!
