

Class #412 Basic Wholecloth Quilts

Thursday -- Cindy Needham

Wholecloth quilting is becoming very popular with both hand and machine quilters. It is a way to create your own unique heirloom out of a simple yard or two of fabric. I will be teaching you about your fabric choices, batting, threads, design layouts and basting. You will be spending the day designing and marking your own wholecloth quilt using my stencils as your design resource.

THINGS TO BRING:

Fabric yardage for whole cloth quilts. I would recommend 1-2 yards of your choice of fabric. I love to use plain bleached/unbleached muslin, Dupioni silk, Radiance, cotton sateens or soft tone-on-tone fabrics.

Scissors

Rulers

Marking Pens, **bring several!** (Recommended: Mark-B-Gone, Stabilo white pencil or Clover white pen)

Most students find they are so busy marking their quilts they never get the chance to actually sew. Your sewing machine is optional.

If you have any questions either prior to or after class, you are more than welcome to e-mail me at linenqltr@comcast.net or cneed1934@aol.com. Please reference "quilting" in the subject line of your e-mail.
