

Amalie's Log Cabin Supply List – Darlene Zimmerman

Step back in time to the Civil War era, when immigrants were building new lives for themselves in America. Meet Amalie, and learn of her trials and joys as she and her family settle in this new country. Just like Amalie, you too can construct a Log Cabin quilt with stars in the centers. You can choose to make a table-topper, a lap quilt or a full-queen size quilt.

Supply List

Amalie's Log Cabin pattern (available from quilt shops or www.feedsacklady.com)

Rotary cutter, mat and ruler

General sewing supplies

*Iron (unless supplied for the classroom)

Sewing *machine*

Optional: *Shape Cut or Shape Cut Plus* by June Taylor (helpful in cutting the many squares and strips)

Cheap paper plates

Fabrics as listed on the pattern for the size you have chosen

Please pre-cut at least some of your strips and squares before class.
